

PICASSO'S MASTERPIECE GUERNICA

Guernica: A 60-Minute Masterpiece Immersion

This experience is designed for those who seek to go beyond the "traditional" museum tour. Rather than skimming the surface of various galleries, we provide an immersive deep dive into the soul of 20th-century art.

While many tours only offer "the tip of the iceberg," this session provides a detailed vision of Guernica and its historical context. By examining Picasso's artistic evolution alongside his most famous work, you will gain a comprehensive understanding of the man, the artist, and the activist.

Once the guided tour concludes, you are welcome to stay in the Reina Sofía as long as you wish to continue your journey through modern art at your own pace.
